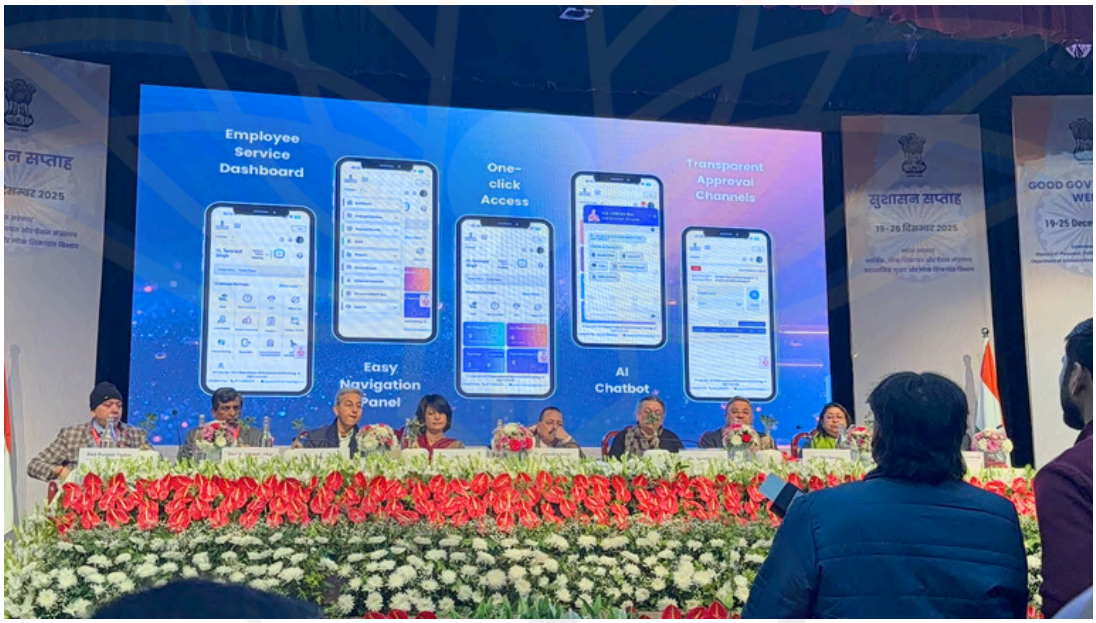
BULLETIN

OVERVIEW

e-HRMS 2.0 scaled new heights between October–December 2025, with major onboarding gains, extensive training, and new integrations. Marking Good Governance Week, the mobile app was launched, reinforcing secure, transparent, and smart HR service delivery.



Mobile App Launch

- Android -Downloads= **136 K+** & IOS- Downloads= **9.9 K**
- The e-HRMS 2.0 Mobile App (DoPT) serves as the official mobile gateway to the e-HRMS 2.0 platform, accessible on both Android and iOS devices.
- It brings key HR services like pay slips, leave applications & tracking, reimbursements, declarations etc. to employees' fingertips, minimising paperwork, enhancing transparency, and accelerating decision-making.
- The app seamlessly integrates with the larger e-HRMS 2.0 ecosystem, supporting end-to-end HR processes across the entire employee lifecycle, from recruitment to retirement.

A glimpse of all the services functional in the mobile app

Onboarding Achievements

- Employee onboarding grew from **7.1 lakh** in October 2025 to **7.6 lakh** in December, 2025, adding 50,000 more.
- Including **61 Ministries, 90 Departments,** and **8 States/UTs**
- Seamless onboarding completed for:
  - Government of Chhattisgarh
  - School of Planning & Architecture (Vijayawada), Department of Higher Education
  - International Institute of Population Sciences
  - Delhi Police

    Narcotics Control Bureau (NCB) and others

Concluding remarks

With over 7.6 lakh employees onboarded Including 61 Ministries, 90 Departments, and 8 States/UTs and e-HRMS 2.0 continues to transform HR governance. December 2025 marked a milestone with Good Governance Day launches, expanded pension processing, and advanced training outreach. The upcoming quarter will focus on service book expansion, workflow enhancements, and deeper integration with PFMS, Bhavishya, CGHS, and iGOT—building a smarter, more responsive governance ecosystem.
